LOS ANGELES PEDIATRIC SOCIETY PRESENTS THE 74TH BRENNEMANN LECTURES
SEPTEMBER 8 - 10, 2017 Disneyland, Hotel

WELCOME
As one of the oldest pediatric CME meetings on the west coast, the Los Angeles Pediatric Society (LAPS) presents the Brennemann Lectures. This meeting consistently provides relevant information on an environment that promotes communication between faculty and attendees. When there is personal interaction among fellow professionals, LAPS firmly believes that learning is enhanced and patient care improved.

We welcome everyone to the Disneyland Hotel to enjoy the Disneyland Resort. With over 120 pedestrians and allied health professionals in attendance, the event draws interested attendees for their support and welcomes all new attendees, to what is sure to be another great Brennemann Lectures. Attendees for their support and welcome all new attendees.
